WHO WE ARE

Our company was founded in 2011 by a team of professionals with diversified and complementary skills which are the result of experiences carried out in different companies abroad in various sectors like business management, IT consulting and linguistic services.

WHAT DO WE DO

1

We provide a team of professionals already employed by us and capable of managing projects of different sizes and complexities within eight hours of continuous work from Monday to Friday.

2

The service we offer you in outsourcing is provided continuously through digital tools with the application of platforms also used by customers.

WHAT MAKES US DIFFERENT

- ✓ We have launched internationalization processes and focused attention on the markets in Germany and Switzerland.
- ✓ Our multilingual team consists, among others, of German native speakers.
- ✓ This enables us to offer plurilingual services.
- ✓ We are multifaceted, able to grasp customers' needs and quickly transform them into concrete solutions for their business.

WHY CHOOSE US

Making use of our human resources also means being able to count on a stable and consolidated corporate structure. Furthermore, our rates, in general, are very competitive, thus allowing the reduction of our customer's usual business costs.
